

Media & PR Report October 2010

ROUNDTABLE

Gents,

Apologies for not being present at this Business Meeting, but I am otherwise engaged (Again!).

Activity since last business meeting:

I have now added a YouTube account for Area 8 Round Tables – please send me any videos that you would like uploading – and am using this to host video content for our website.

The You Tube videos can be accessed at: <http://www.youtube.com/user/area8roundtable>

A plea for content:

We now have a website, can host videos & photos and have an area diary. In addition, we have a facebook page and a twitter feed, which link to our website. We are currently being followed by 24 people on twitter (including many other tables and areas). Our feed is visible at <http://twitter.com/area8roundtable>. The Facebook page has 37 fans and can be accessed at <http://bit.ly/bjbB6l>. However, I'm struggling for content a little. Your photograph happy Area Chairman has supplied me with many photographs and a number of news items for our website, but we need more to make it useful (and interesting) to all our members.

If you have any of the following, I'm always keen to hear from anyone, so please email or call me (area8@mackridge.com or 07779 232 148):

- Upcoming events that you would like adding to the Area 8 Diary (including booking forms etc)
- News items – tell us about your successes
- Photos or Videos – try to keep them clean!
- Anything else – ideas on how to develop the website, content for the 'history' pages etc etc.
